

Synthetics Intl.
Concrete Moisture Specialists

LEED 2009 for New Construction and Major Renovations

IEQ Credit 4.1: Low-Emitting Materials—Adhesives and Sealants

1 Point

Intent

To reduce the quantity of indoor air contaminants that are odorous, irritating and/or harmful to the comfort and well-being of installers and occupants.

Requirement

Adhesives, Sealants and Sealant Primers must comply with South Coast Air Quality Management District (SCAQMD) Rule#1168.

Synthetics International certifies the Synthetic30 product meets a VOC content of less than 100 g/liter per EPA Method 24 testing methods. This product also PASSES the California Department of Health Services – Section 01350 TVOC requirements and data may be obtained by request.

Please contact our office with any comments and/or questions.

Best regards,

Adam Schwegel
